"Nearpod: a discussion setting where kids are interacting"

from Nearpod

What's there?

Some of your technology may not play properly.

<https://vimeo.com/95197111>

"Nearpod: a discussion setting where kids are interacting"

from Nearpod PLUS 3 months ago NOT YET RATED

Track your students' progress!

Easily get **Reports** for all your Nearpod.

Teachers can easily run detailed session reports in CSV or PDF format, either from the Nearpod app or from the web (nearpod.com)

nearpod

1:1, BYOD, or Cart? **No worries!**

**No matter which device
you and your students are using,
Nearpod works on all platforms ;)**

nearpod

Let's Nearpod!

Bring the WOW machine into your classroom

It's FREE!

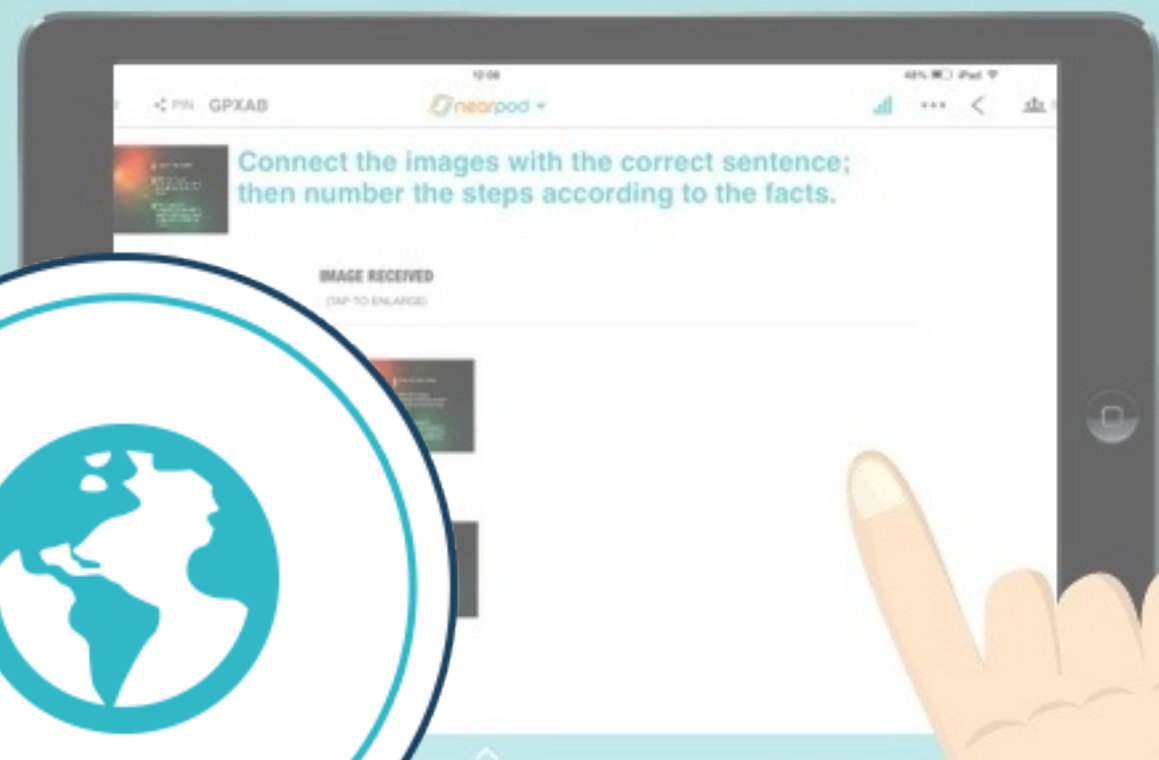

nearpod

"Nearpod is easier to implement for lesson development - a very versatile and inclusive tool!"
